Ken Chan

Senior Technical Recruiter, Productboard

Dear Mr. Chan,

Please accept this letter as an expression of my interest in the Frontend Engineer position. I am a highly motivated and progress-focused Web Developer with a long-standing background in programming and creating custom user interfaces. With a track record of initiative and dependability, I have devised strategic initiatives which I believe will prove valuable to Productboard.

Throughout the course of my career, I have greatly increased my web development and software testing abilities. I am a capable and consistent problem-solver skilled at prioritizing and managing projects with proficiency.

In my previous and current role, I contributed communication, critical thinking, and programming toward team efforts and business improvements. I am progressive minded and in tune with new developments in my field. I have proven to be effective and collaborative with strong innovation talents. I enjoy collective brainstorming sessions which allow me to coordinate activities to achieve a common goal.

Please take a moment to review my resume and credentials. I would greatly appreciate the opportunity to speak with you regarding my candidacy.

Sincerely,

Mathew McLeod
